Dr. Irving Sobel's voicemail message

1                   MR. SOBEL: Hi, Mark. It's Dr. Sobel. I  
2 did your Chevron exam. Everything came back  
3 fine on the reports that we did the labs. The  
4 one thing I did reach out to Chevron, they're  
5 going to need a letter from your cardiologist  
6 from Kaiser stating that it's safe for you to  
7 work in Nigeria, that everything is under  
8 control, no special treatments are needed.

9                   So you can forward that letter to Chevron  
10 directly, and I'll forward my report to them  
11 as well. And then the cardiologist in Nigeria  
12 will probably review all those papers. I  
13 think you'll need to submit your CAT scan  
14 reports, ultrasound reports and note, and a  
15 letter from a cardiologist to proceed.

16                   I would contact Chevron directly at --  
17 I'm sorry -- at area code 925-842-3439; their  
18 fax is 866-248-7601.

19                   Have a great day. Bye.
